

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                       |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                    |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                      |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                       |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                              |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                     |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |

# MERRELL Autumn Night Series 2017 Log - 8km

| Points are calculated based on winning time. Time of the winner is divided by the participants time and then multiplied by 1000. So the maximum points per race is 1000. The person with the most points after three events will win the series. |                       |        |          | RACE #1 - 22 March |            |        | RACE #2 - 29 March |            |        | RACE #3 - 5 April |            |        | TOTAL Points |
